

ValleyFest XXX

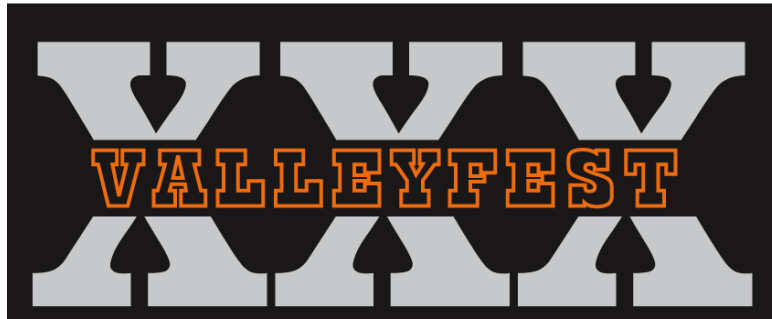

“Where Champions Come To Play”

Saturday, October 10, 2009

The ValleyFest XXX Committee is proud to announce that each school participating in the 2009 program will be able to PRE-ORDER ValleyFest XXX t-shirts. The great advantage is, the shirts are only \$11 each and this includes shipping to your school before ValleyFest so the students will have them before the actual event. We will have a few t-shirts available the day of the event but they are usually gone pretty quickly and they are \$15.

We have enclosed the order form so you can use to make copies for the students. Please fill in where to return the order form and the date to return to you so we received the orders by Friday September 25, 2009. The order form is also posted on the Valley Bands website, www.valleybands.org click on ValleyFest on the left hand side and you will see the link to the order form. If you prefer, the students may send the orders directly to the Valley Band Boosters (address on the order form) but the shirts will be shipped all together to the school. Each students order form will be included for easier distribution.

Also included with the student order form is a master order form so you may use to order shirts for your school. This will allow you to keep the original order forms for easier distribution when the apparel arrives.

The shirts are black. On the front will be silver XXX's and orange lettering. The back will say “Where Champion’s Come To Play”, the date and a list of all the schools participating in Valley Fest XXX.

Please return your order to the Valley Band Boosters by **Friday September 25, 2009** to assure delivery the week before Valley Fest. If you have any questions please feel free to email Jodie Skellenger Valley Boosters Co President at

jodez@hilbertinc.com or call 515-669-6911

We would like to “THANK YOU” for participating in the 30th anniversary of ValleyFest.
